H : OKONO. MAY 16TH, 1385.

WE yesterday referred to the loyalty to the mother country which in the recent crisis has been displayed by the Australian Colonies - first, Cosmopolitan next. No doubt the On this occasion the defendants were all keepers | Her Majesty's mails coming into this port. ı lovalty which has always existed and never | faltered, but which it required some such crisis to call out into active expression. In altogether justified in the light of gool reason; illustration of our remarks we quoted an ex. | but this forms no sound argument for the distract from an article in the Brisbane Courier -an article which no Englishman could read tendency of the national policy is one that without a feeling of pride in the generous honestmeners apport. Datails must be subse timents expressed. The remarks of our Australian contemporary carry all the more ther patriotism, using the word in its ordinary 3744 3752 weight from the fact that they are written and popular meaning, is a virtue or a vice we in no high falutin hysterical vein, but in a lanswer unmistakably a virtue. Cosmocool and temperate spirit indicating a reserve [politanism too often jouly thinly cloaks : 3958 3958 3976 of strength sufficient to carry promise into cynical selfishness. There may come a time performance. We need make no apology for | When the common sense of most shall hold a fretful giving another extract from the same article. a passage in which the writer leaves the onsideration of Australia's attitude England and passes on to a consideration of

It is at least true that British politicians do not now Leapable of. now these sentiments, but we are not quite sure that they are extinct. They certainly had an influence ou the recent negotiations with Germany; because the keynote of every communication and of every discussion on the results of the negotiation was that the interests of the Australian colonies were something t at could be separated from those of fingland. It was a question of whother England objected to a German colony in New Guinea or South Africa, and whether E gland had not so many colonies already that 5152 she could well afford to spare these territories to a 5206 neighbour. Now if people in England felt the unity 5264 of the Empire as we do-if they had fully reciprocated the soutiment that make us ready to spend money and lives in a quarrel which does not even remotely omeera us, just-becar so it is that of England-this tone you'd never have been adopted. The objectious of Aus ralia to German annexations in New Guines 5544 were not regarde in the same light as, say, the re ture toned by a foreign Power would have been. I

presentations of Devenehire that its security was is not the time now for us Australians to complain of amounts to 12,500 piculs. past peglept, our English brethren can see that we put our grievances entirely aside when Kingland, needs our support, but it is the duty of those who speak. for the public through the Press not to allow English. inon to inisrcad the signs of times. We are heartily willing to accept of full responsibilities as citizens of the Empire, and to make its quarrels ours. we expect reciprocity. One-sided loyalty may last 4 houses; 101 French, 46 houses; 26 Dutch, 8 property, while Mr. Brewer, the engineer of the long, but some day it is certain to cool. Our teleg-omeure again hinting that Prince Bismarck has now 6209 and important colonial schemes. Can we hope that this time the Imperial Government will remember it question of how they will affect ringland, because the | 518 houses; the total being 3,688 foreigners and are integral portions of the Empire through which the national life-blood flows. If England alienates her colonies she incurs the danger not merely of losing a ing all over Japanasa mative paper says. In valuable possession but of cutting off a timb and

It may be said, perhaps, that we in Hong-6776 kong may leave England and Australia to is that these who do not know the English settle their relations between themselves. that it is a matter which does not concern ture also devote themselves to the study of the 7000 us and one in which we cannot be expected language, and their progress is very great. to take any very lively interest. Buch, we believe, is not the view of thoughtful min's: ment, the Japan Mail says:—"China's great gain at all events it is not the correct one. Inperial federation is a movement which is now passing from the shadowy stage into phlegmatic person offering an angry adversary. 7447 one of form and substance. Situated as we are in longkong we have little opportunity offered; whereupon the angry adversary makes 7592 7600 7608 7716 of actively taking part-in-the-movement, but a series of assaults upon various parts of the big 7664 7672 we can at least lead it our sympa hetic support and perhaps do something in a small 7839 way towards the cultivation of correct 7896 thought on the subject. There are probably 7927 7935 7943 7952 few in the colony who in theory would not after all, it has a comical side 8049 8057 assent to the doctrine of Imperial federation 8106 8113 but what is required is something more than between Russia and England was viewed with 8202 8209 8217 8225 A cool assent, something more than a grave apprehension by Koreans who look beyond more laodicean attitude. If Imperial 8449 than a name the scatte ed parts of the Empire must exhibit an

federation is to become something more to occupy Port Lazareff or some equally suitable sympathy in each other's struggles. Even 8619 8657 8665 8673 on selfish grounds, however, we are almost compelled to watch with keen interest the growth of those thriving and vigotous colonies in the south with which we are doing a yearly increasing trade. Ten years ago the vessels which arrived in this port direct from Australia and New Zealand amounted to a tourage of 56,000; last year this had increased to 92,345; the departures bad naturally increased in a similar ratio, but the She commenced her career in 1858 as the British figures convey a very fundequate idea of ship Bilbao. She was built at Cork by A. Ro- Two of them gave explanations which were what the trade actually amounts to, as most of the vessels leaving for the colonies clear original flag she was sold to foreigners, but in for Singagore and are included in the large total of 340,000 tons credited to that

wealth and population so will our com-

mercial relations with them increase, and

it is in this direction that we must look for

interest alike therefore call on us to take a sympathetic interest in the welfare of the colonies, and so far as may be in our power mento fend them our active support in their struggles for development. That such support is called for may be shown by an extract from another paper published in a different part of the world. We refer to the Indian Statesman, This journal has an article headed " Modern Patriotism," which opens with the questions- Is patriotism a fixed for that occasion were consequently advirtue or a vice? Is it for the advantage of journed to to day. humanity, as a whole; or is it a divider and contemporary goos on to say 1-

These questions are forced upon the consideration of thoughtful minds, by the universal acclaim: which has greeted the action of the colonies, in coming forward to assist the mether country in "smashing" the Mahdi. The offer is halled as most "patriotic," and yet the misgiving prises that it may be altogether interest it is particularly requested that all Zealand had resolved to equip at their own expense, and independently of Great Britain, an expedition for the purpose of "smashing" the Mahdi, for his re-bellion against the Turk and Circussian, would not the world have exclaimed at this intervention, in the corn whatever, as criminal? Does then the action PERRINS' SAUCE Great Britain, while without that conjunction, it

> together disappeared, and that there about five miles an hour. still exist those who would willingly oast off the Colonies. The opinions expressed by the Statesman cannot be too strongly condemned. What they amount to is that there should be no central policy uniting the whole empire, and that unless it be a matter of immediate self-interest to do so no part should help another. When the British Empire becomes a mere aggregation of municipaities owning no common bond of synthathy. then indeed it will be ready to full to pieces. Our contemporary of course goes on to define

is not to be that which animated Greece or

Rome, but is to follow that new and incomparably grander idea of patriotism which emerges from the writings of the Jewish prophets, " a love of country which desires only that one's country should manifest in all its actions the eternal justice and righteousness." This is what we hope all Englishmen do desire; but let us be Englishmen nation blunders at times, and perhaps occasionally stumbles into wars which cannot be ruption of the Empire, so long as the general ordinated to generalities. To the question whe-
